

PIMPRI CHINCHWAD EDUCATION TRUST'S

PIMPRI CHINCHWAD COLLEGE OF ENGINEERING

NBA Accredited | NAAC Accredited with 'A' Grade | An Autonomous Institute | AICTE

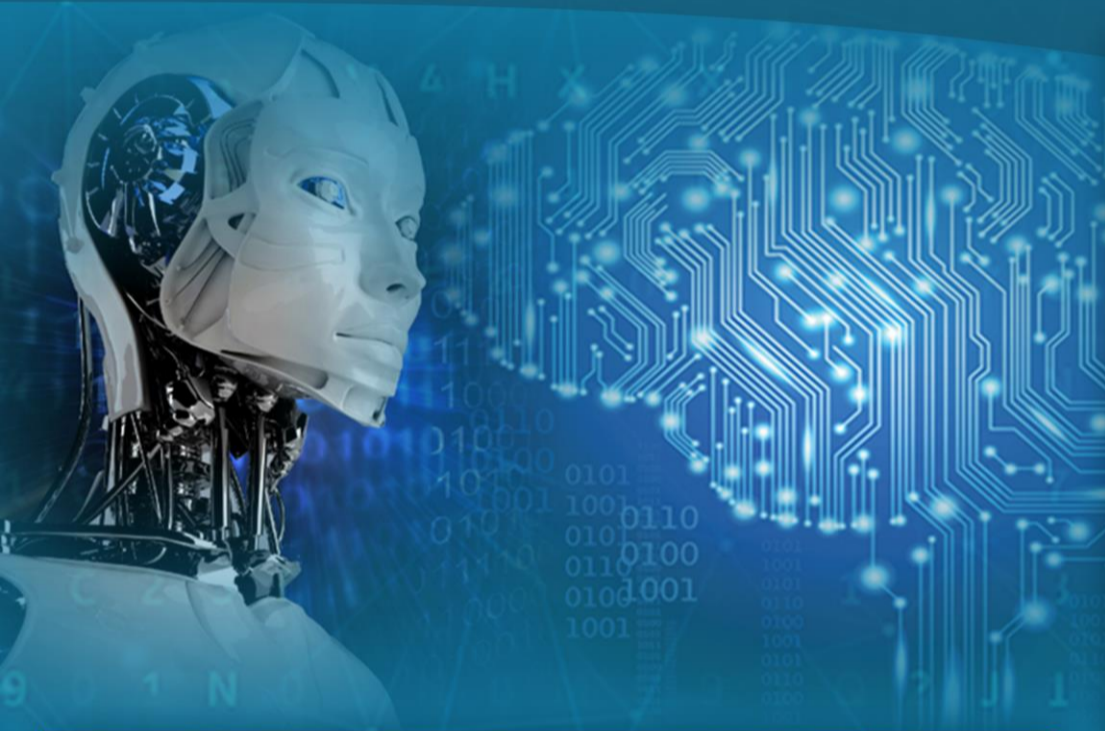

Approved | ISO 9001: 2015 Certified | Permanently Affiliated to SPPU, Pune

DEPARTMENT OF INFORMATION TECHNOLOGY

M. TECH. IN

ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

Department of Information Technology offers Postgraduate course M.Tech. in Artificial Intelligence & Data Science affiliated to SPPU Pune. PCCOE being an Autonomous Institute affiliated to SPPU, the syllabus is meticulously designed by the expert faculty and approved by the Board of Studies. The program aims to offer students the required skill set in Artificial Intelligence and data science to seek career opportunities, possess research orientation and adopt lifelong learning.

Why AI & Data Science (AI&DS) ?

- Data scientists are in high demand.
- There will be more than 11 million job opportunities by 2026.
- Hiring in the data science industry has increased by more than 50% during last 3 years.
- Many career options like Data Analyst, Data Scientist, Data Engineer, ML Engineer, NLP Engineer, Computer Vision Engineer, R&D Engineer, Own start-ups/Freelancer, etc.

"KALPATARU"

PCCOE - M. Tech. Scholarship - Scheme

Stipend of **8,000/-** per month

Why M.Tech. at PCCOE ?

- PCCOE is consistently ranked among top 300 engineering colleges in the country.
- One of the best Training and Placement cell in Maharashtra.
- Post graduate students are provided with ample placement opportunities.
- Post graduate students get lucrative internship opportunities with top companies.
- State of the art infrastructure and research facilities.
- Highly qualified and Expert faculty members in the field.

ELIGIBILITY CRITERIA

- ✓ Following Engineering graduate (Computer/IT/E&TC/ Electronics/Instrumentation/ Electrical and allied branches) eligible for admission in M.Tech Artificial Intelligence and Data Science
- ✓ Latest (2023) non zero GATE Score OR Minimum 2 years Industry Experience
