About Institute

Pimpri Chinchwad Education Trust (PCET) established in the year 1990 with a vision to provide value-added education in multiple dimensions right from Nursery to Doctoral programs. PCET has seven institutes.

Pimpri Chinchwad College of Engineering (PCCoE), Pune, Maharashtra, established in 1999, is an AICTE approved Institute, permanently affiliated to SPPU, Pune.

PCCoE is a promising Autonomous Engineering Institute located in one of the country's Industrial hubs of Pimpri Chinchwad. The institute runs 7-U.G, 7-P.G and 3-Ph.D. programs and is ISO 21001: 2018 certified. The institute is NBA accredited and NAAC accredited with 'A' Grade.

About Department

The Department of IT Engineering at PCCoE is committed for value added quality technical education. The department is NBA accredited thrice since 2012-13. Competent faculty members, enthusiastic students, and State-of-the-art Infrastructure are strong pillars of the Department.

In addition to core academics, the students are provided with plethora of opportunities to develop and excel in curricular, co-curricular and extra-curricular areas.

PCCoE-ACM Student Chapter has been a proud recipient of multiple awards. The program aims towards all round development of the students to make them competent individuals for Industry, Academia and Research.

Resource Persons

Distinguished experts from renowned institutes and industry will share their insights and expertise.

Programme Objectives

The primary objective of this Faculty Development Program (FDP). The FDP aims to equip faculty members with the latest advancements in Artificial Intelligence (AI), including Machine Learning (ML), Deep Learning, and Generative AI, and their practical applications in teaching, learning, and research processes.

Specific Objectives:

- Build conceptual understanding and hands-on expertise in modern AI technologies.
- Enable faculty to integrate AI-driven methodologies into teaching and curriculum.
- Enhancing Creativity and Innovation with Generative AI
- Promoting Ethical AI Use and Responsible Innovation

Target Audience

Faculty members of Engineering Institutions, PG/PhD scholars and the professionals from industries and research organizations.
